

2025 ANNUAL REPORT

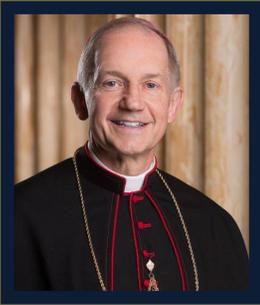

Catholic Charities is

Celebrating a Century of Service

in the Diocese of Springfield in Illinois

1925-2025

*DEAR FRIENDS
IN CHRIST,*

Dear Brothers and
Sisters in Christ,

I am pleased to present
to you the Centennial
Annual Report for

Catholic Charities in the Diocese of Springfield
in Illinois. It is truly remarkable that from our
humble beginnings in 1925 with a staff of one,
Catholic Charities has persevered through the
Great Depression, World War II, the turbulence
of the 1960's, the turn of a new century and
attacks on our religious freedom and Catholic
identity. Then to top it off for good measure: a
global pandemic!

First and foremost, the Mission of Catholic
Charities is rooted in the commandment of our
Savior to love one another. Extending from this
divine directive, the Corporal Works of Mercy
provide a practical roadmap for the specific
manifestation of this love for our brothers and
sisters in need. Catholic Social Teaching provides
the moral framework for everything we do
starting with the foundational belief that all life
is sacred and all human persons are Children of
God, worthy of being treated with dignity and
respect.

Armed with these truths, the Catholic clergy,
religious orders, the laity and people of good
will from all faith backgrounds united under
a common cause to show the world the mercy
of our Creator. The dedication, skills and
compassion of the leadership and staff over the
last 100 years has enabled Catholic Charities to
respond to any need or societal ill.

As you review this annual report, I ask that
you join previous generations and prayerfully
consider beginning or enhancing your support
of Catholic Charities. As it was in the beginning,
the future of Catholic Charities is dependent
on the generosity and compassion of our faith
community.

Sincerely Yours in Christ,

+ Thomas John Paprocki

Bishop Thomas John Paprocki

*DEAR FRIENDS OF
CATHOLIC CHARITIES,*

Dear Friends of Catholic Charities,

Throughout 2025, Catholic Charities has
celebrated its centennial of service to the
poor and broken-spirited. It is truly an honor
for me to serve in this leadership role as we
reach this important milestone in our history. As originally envisioned by
Bishop James A. Griffin in 1925, Catholic Charities has expanded services
across the Springfield Diocese over the last 100 years. Our Mission, “to
extend to all the healing and empowering presence of Jesus” is embedded
in the professional programs and services provided to thousands of
people every year.

Today, under the direction of Bishop Thomas John Paprocki, Catholic
Charities is supported by a dedicated, professional staff; over 100 active
board members; hundreds of devoted volunteers and thousands of
compassionate donors. These exceptional individuals ensure the legacy
of Catholic Charities lives on to serve the “least of our brothers and
sisters” in need. Catholic Charities manages offices and facilities in the
communities of Alton, Beardstown, Carlinville, Decatur, Effingham,
Granite City, Mattoon, Quincy and Springfield. In addition, our outreach
efforts provide relief to dozens of rural communities throughout our
28-county diocese.

The people we serve are most often in crisis situations. They may be
facing eviction, utilities disconnection, massive medical expenses, food
insecurity, a mental health crisis, unemployment, disability or some
unexpected calamity that has put them at poverty's doorstep. They come
to us from all walks of life including families, seniors, children and
veterans. Most importantly, our faith teaches us that they are all children
of God who deserve to be treated with love, dignity and respect.

On behalf of all of us at Catholic Charities, thank you for your support of
our daily efforts to keep this special legacy alive and well; ready to serve
for generations to come.

Sincerely,

Steven E. Roach, M.S.

Bishop James A Griffin: Our Cornerstone

On February 25, 1924, the Right Reverend James A. Griffin was installed as the Bishop of the Diocese of Springfield in Illinois. During his episcopate, Bishop Griffin was responsible for building up the Church in central Illinois through a variety of indelible initiatives which shaped the spiritual lives of the Catholic community for generations to come. This included the successful campaign to build the new Cathedral of the Immaculate Conception in Springfield. Bishop Griffin's legacy also included perpetual efforts to serve the poor, the afflicted and the unfortunate. It was written that, "nothing worthwhile escapes the keen eye or sympathetic heart of Bishop Griffin."

Not long after his ordination, Bishop Griffin recognized that there was a clear need "for an organization whose members would look after the temporal and spiritual needs of the poor and aid in financing Catholic social work." At the behest of Bishop Griffin, Catholic Social Service was organized, and Elizabeth Kuhlman was hired on March 1, 1925, as the first Catholic Social Worker. The initial office was headquartered at St. John's Hospital in Springfield under the supervision of Reverend J.C. Straub. The objective of the Catholic Social Service office was "to take care of all charitable cases and problems brought to its attention." It was the intention of Bishop Griffin to establish this field of work in the city of Springfield and eventually to extend it across the entire

Springfield Diocese. Throughout the remainder of the 20th century, Bishop Griffin's vision was realized.

EFFINGHAM HIGHLIGHTS

The Agape Project—a capital campaign supported solely by the Effingham community to fund building and property improvements for Effingham Catholic Charities—is officially complete. The three phases of the project included installing new HVAC systems throughout the building, renovating the pantry, and resurfacing the parking lot. The third and final phase, the parking lot project, expanded available parking spaces and added a fresh asphalt surface. We are incredibly appreciative of all the contractors and volunteers who contributed their time and talent throughout every phase of the Agape Project.

Over the past year, we have settled into our newly renovated pantry, which is designed for efficiency and to minimize waste. The transition has been smooth, and the unique layout has served our clients well.

We have also revitalized our Mobile Food Pantry program. Its goal is to deliver food to individuals who cannot travel to us,

QUINCY HIGHLIGHTS

Quincy Catholic Charities hosted their 2nd annual murder mystery dinner, Murder at the Pizzeria. This year it took place at a new venue that allowed for a bigger audience. Once again, the event sold out! The event brought many laughs throughout the evening as each character had their own unique personalities (and creative names). The event emcee, board member Jake Bertram, did a great job interacting with the audience and contributing to the entertainment of the evening. Our community actors competed against each other to raise funds and take home the title of Favorite Actor. There were several silent auction items ranging from goodies from local vendors to a trip to Florida. A pasta bar was served to match the Italian theme of the night. Board members put in several hours of hard work to make the evening a huge success. Our audience was already asking to do it again next year before even leaving the doors!

The office continues to offer high quality counseling, medication assistance through the MedAssist Program, and both a traditional and mobile food pantry. The Intact Family Services Program was able to obtain two new cars and work cell phones were updated to new phones. We continue to meet the needs of our clients and community while serving out the mission, "To extend to all the healing and empowering presence of Jesus".

The Catholic Children's Home in Alton continues to care for children with emotional and behavioral challenges, including autism. Jonny Kruse fulfilled the Christmas lists of all residential and school youth this year. The Center to Heal and Achieve at the Catholic Children's Home allows children from surrounding districts with emotional and behavior issues to attend school at the center. The students receive specialized academic, therapeutic and behavior intervention services.

In addition to their special day school, they have a residential program (McNicholas Home), a transitional living program (L.I.F.T.), and an independent living program (L.I.F.T.-The Next Step Program). These programs serve youth ages 11 to 18 in the McNicholas Home and ages 17.5 to 21 in the L.I.F.T. Program. The Catholic Children's Home currently serves 88 children. In celebration of the 146th year of service, the Catholic Children's Home hosted an Open House this year.

Food Pantries

Our staff serves the nutritional needs of families by helping with immediate problems and searching for future solutions. Donations of food, time, and money are necessary to respond to local hunger.

Health Connect

Health Connect is a comprehensive intervention program that works with clients who have a high number of hospital emergency room readmissions due to poor health, self-management skills, lack of resources or other social and emotional challenges.

Intact Family Services

This program's goal is to keep troubled families together by offering them intense case management and education in parenting and linking them with related services in their communities. This program is referral based only from DCFS.

Meals on Wheels

Lunches are delivered on weekdays by caring volunteers to homebound seniors in Decatur and Macon County.

Meals on Wheels Congregate

The Meals on Wheels Congregate program is designed for older adults to eat a nutritious meal and socialize with friends. The program is for seniors 60 years of age and older to enjoy a hot, healthy lunch served in a group setting. This program routinely schedules special activities and speakers.

A prescription medicine assistance program that aids clients with securing immediate or long-term medications at free or substantially reduced costs. The following services also fall under our MedAssist program: Senior Health Insurance Program, Marketplace Certified Application Sites, Immediate Meds, the Dental Voucher Program, and Medical Equipment Loan Program. These specific program offerings vary by site.

The Post Adoption program is designed to support and strengthen the lives of adoptive parents, adult adopted persons and birth parents by providing compassionate profiles, searches and intermediary services.

“Times have changed greatly and sometimes it seems nothing changes at all. However, Catholic Charities has always been there to answer the call for help from the children of God who need it most. We have always been there because of our faith. We have always been there because of our dedication. But most of all, Catholic Charities has always been there because of the tremendous number of people who have joined us in our never-ending quest to show the world the mercy and love of Our Savior, Jesus Christ.”

Steven E. Roach M.S.
